Ironwood Glacier®

Circulation Desk

Meet everchanging design, size and budget demands

Radius Corner Riser provides a more complete look

Customer side, Angled Corner Unit (I) with optional Slatwall Panel (O)

Modular Circulation Desks

- **1" thick, 45 lb. furniture-grade particleboard panels with thermal-fused melamine surfaces**
- **Each piece can be used as a stand-alone unit or connected to form a full circulation area**

Economical, modular design allows for expansion as your needs change. 3 mm edge banding trim with rounded bull-nose protects edges from bumps. Includes adjustable levelers. For sit-down applications choose 29"H work surface, choose 32"H units for elementary standing height or 39"H unit for adult standing comfort. Desks include bottom 7"D storage shelf. 36"W and 60"W desks include a 3"D wire-management trough. Black slatwall panels fit onto front of corner units to hold notices, new arrivals and other displays.

Library Shelving

84"H Double-faced Starter unit without Divider Panel and 2 Add-on units in Light Oak laminate

Laminate Library Shelving

- **1" thick industrial-grade particleboard with thermo-fused melamine laminate**
- **1" thick shelves hold 150 lbs.**

This affordable line of shelving has full 1" thick shelves and extra thick 3 mm PVC edge band to guarantee long-lasting strength and stability. Glacier units feature a unique bracket system that works in tandem with the end panels to keep the shelves locked in place. All units are reinforced with a 16-gauge steel frame, finished with powder-coat paint. A steel backstop wraps behind each shelf edge for additional strength and prevents books from slipping through on the double-faced shelving. All shelves are 12"D and adjustable in 1¼" increments. Starter units are 37"W and include 2 end panels, top, base and shelves. Add-on units are 36"W and include 1 intermediate panel, top and shelves. Shelving backs and accessories sold separately.

MT.

NOTE: Specify laminate/paint color.

Steel reinforced frame and backstops are standard on Single-faced units and Double-faced units without Center Divider Panel

Tables & PAC Stations

Strong 14-gauge steel legs

Rectangular Table in Light Oak

Library Tables

- **1" thick tops with thermal-fused melamine laminate surfaces**
- **3 mm rounded corner edging**

The Glacier® library tables have 2½" dia. black steel legs with a leveling adjustment of approximately 1". A matching 16-gauge steel apron and fully welded base gives each table extra stability for continual use.

PAC Stations

- **1" thick, 45 lb. furniture-grade particleboard panels with thermo-fused laminate surfaces**

Economical and enduring PAC stations are trimmed with 3 mm PVC edge banding on rounded corners. Available in 39"H adult or 32"H student stand-up heights. Each station features a lower 17"D shelf. Cords are managed through grommets. 1- and 2-student Stations measure 30"D to hold larger monitors and leave room for a keyboard and mouse. Dual-height work surface puts the monitor at eye level. Half-hexagon has a single-level work surface to accommodate 3 computers and supplies.
