

DEMCO® Helping You®

ZONING IN ON

Children's Spaces

PROJECT PROFILE:

Roberto Clemente Middle School, Bronx, NY

Creating Spaces for Teaching, Collaborating and Hanging Out!

Total Square Feet: 3,500

The Client:

New York City Board of Education and New York City Construction Authority.

Interior Design:

DEMCO Interiors and Librarian Cynthia Burnell.

The Challenge:

Create a state-of-the-art middle school library.

How They Did It:

- Created four distinct spaces for relaxing, socializing and studying
- Transformed unfocused student spaces into computer learning spaces
- Positioned a circulation desk in a central location to create better sightlines throughout the library.
