

Grades K–1 Audio Books Permission Slip

I give permission for my child to check out audio books from the library.

I understand that:

The books are in a bag with a single book and a CD, and my child will need a player to listen to them.

If my child damages or loses one, I will pay the replacement value, which ranges from \$15.00 to \$20.00.

Materials may be checked out for two weeks. Because of demand, they may not be renewed.
