

Demco®

Trusted Products You Won't Find Anywhere Else

Get a **FREE Tote Bag!** Details Inside >

Discover Products Designed Just for You

We've got everything you need in one convenient place, and **everything in this catalog is only available from Demco**. From book care supplies to functional furniture, every product we make is created to solve a customer problem — like the oops-proof Gear Guard™ Mobile STEM Table and Workstation (p. 57).

By designing and making so many products ourselves, we ensure that quality stays high and prices stay low.

When you see the Best Price icon, you know that you're getting the best price in the industry.

See p. 57

What Should We Make Next?

We manufacture almost 3,000 of our own supplies, including hundreds of different genre labels (**20% off — see back cover**).

Our product development team is constantly creating new designs, and many of our newest labels were requested by customers like you!

We want to hear your ideas for new label designs. Share them at demco.com (search **genre labels**).

HOW

Application Instructions to Maximize Adhesive Strength

1. Choose the size that will overlap by 1/8" or more on the top and bottom and 1/2" or more on the sides.
2. Apply to clean, dry surface.
3. Smooth entire label protector with bone folder.

2 MIL POLYPROPYLENE

Demco®

Custom-Imprinted Labels on Rolls ★★★★★

Create specific labels to meet any need

- Durable paper stock
- Glossy finish labels resist marks and scratches and maintain readability
- Matte finish allows you to write directly on labels
- Permanent, pressure-sensitive adhesive
- Labels may have slight variations in color
- 500/roll

FedEx

Specify paper finish: Glossy or Matte.

For ordering instructions, visit demco.com (search *custom printing*).

Other label shapes and sizes (up to 3" x 3") can be created. Please call for price quote.

Please order a minimum of 2.

demco[®]

ColorScape[®] Shelving

Shelving features color on the 2 interior vertical panels with optional colored or matching woodgrain laminate tops.

- Constructed with 3/4" thick plywood frames and maple laminate on exposed sides
- 1" thick veneer-core plywood uprights with laminate on both faces and a matching edge
- Top frame has a 3/4" thick veneer core top with horizontal-grade high-pressure laminate and the solid wood cornice board is 3/4" thick and 2 1/2" H
- Solid wood blocking makes up the sides of the top frame where it is bolted to the upright panels
- Shelves are kiln-dried, 3/4" thick solid maple glued-up in strips between 3/4"-2" W
- Shelves hold up to 150 lbs.
- Backs are 1/4" thick veneer-core plywood
- Starter units include 2 upright panels and can stand alone
- Convert shelving into a mobile double-faced unit by adding the Concealed Titan Cart Frame with 3" dia., polypropylene swiveling casters

Mobile Single-Faced Curved Wood Shelving

CAL 117

Mobile, low-profile shelving units make it easy to reconfigure your space without blocking line of sight. The warmth and quality of real maple or oak interior shelves complement the subtle laminate color accents. Shelving can be nested with ColorScape mobile oval benches and tables (sold separately) to create a cozy reading nook. Units roll easily on locking 4" dia. casters.

- 1" thick top panels, bottom panels, and uprights have a high-pressure laminate surface
- Top panels and uprights are veneer core; bottom panels are particleboard
- Shelves are kiln-dried, ¾" thick solid maple or oak glued in strips ¾–2"W
- Exposed edges offer radius 3 mm PVC edge-banding
- Shelves adjust in 1¼" increments and hold up to 150 lbs.
- Metal-to-metal hardware connections ensure stability
- Shelving features color on the 4 interior vertical panels with optional colored or matching woodgrain laminate tops
- 4" dia. locking swivel casters

Specify laminate top color: Matching woodgrain or colored laminate.

Specify inside left end panel color: See colored laminates above.

LibraCraft® Circulation Desks

- 1" thick veneer core panels with solid-wood edges
- 1¼" thick particle board tops with high-pressure laminate and solid-wood edges

Manufactured exclusively for Demco by master woodworkers, our LibraCraft line combines top-grade materials with expert craftsmanship. These hardwood circulation desk components feature 1" thick cross-grain, 9-ply veneer core panels with solid-oak edges. The 1¼" thick particle board tops with horizontal-grade, high-pressure laminate and solid-wood edges. Each unit includes pass-through grommets and J-channels for convenient wire management. Doors open 110° on hidden hinges. Drawers feature solid-wood, dove-tail jointed drawers and full-extension ball bearing glides.

A rough sketch of your intended circulation desk layout is required when ordering.

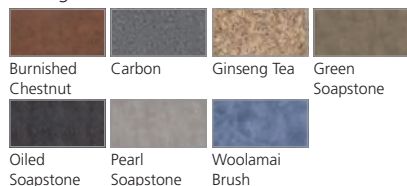

Each component must be labeled with the corresponding Demco No. Send file to custserv@demco.com. Call 800.356.1200 for assistance.

Specify height: Sitting Ht. 32" H or Standing Ht. 39" H.

demco®
Mobile Steel Shelving

The perfect solution for today's flexible educational spaces

- 18-gauge steel with a powder-coat finish
- 12" D shelves adjust in 1" increments and hold up to 150 lbs.
- Choose standard flat-shelf units or integral-back units with 1 sliding book support per shelf
- Order a single starter unit, or combine 1 starter and 1 add-on for a maximum combined width of 72"
- Canopy top brackets included (2 pairs for starters; 1 pair for add-ons)
- 3" dia. locking casters

Specify paint color:

Autumn Haze Eggshell Forest Gray Mist Gray Pebble White

Note: Add-on units always need to be connected to a starter unit of the same height. An add-on alone cannot function as a shelving unit without a connecting starter unit to support it.

Mobile Build 'n' Write Boards

If you've been eyeing Lego® walls on Pinterest but haven't found the time or wall space to make your own, we've got the solution. This double-sided wonder features a building surface with generous space for all ages to construct and create with standard-sized building bricks. To make it even better, the reverse side has a large markerboard for designing and planning. The board is also magnetic, so you can add other activities like Tumble Trax marble runs. Best of all, we made the whole thing mobile, so you can take the hands-on learning anywhere and everywhere.

- Double-sided, 5/8" thick Baltic birch frame and base
- Clear UV finish on flat surfaces and clear lacquer finish on edges
- Integrated handles for easy transport
- Build side features a green Lego- and Duplo®-compatible surface and 2 built-in 3 1/2" H x 24 1/4" W x 6" D trays for storing building bricks
- Write side features a magnetic markerboard surface with built-in marker ledge
- Four 2" dia. locking casters

Gear Guard™ STEM Table

Designed to keep small parts, rolling pieces, and moving bots off the floor

Everyone knows the pain of stepping on a dropped Lego® brick. And that's why everyone needs a Gear Guard Table. Making and building can require a lot of moving pieces, and the 2" H rim around this table keeps those pieces off the floor and at your fingertips. Tumbling building blocks? Racing robots? Rolling writing utensils? All contained.

Gear Guard Table

- 1 1/8" thick, high-pressure laminate tabletop with 2" H, high-pressure laminate rim
- Includes predrilled holes for mounting optional tote tray storage kit (sold separately)
- 2" square, 16-gauge steel legs with a silver powder-coat finish
- Legs attach to top with metal plates and screws (hardware and Allen wrench included)
- 3" dia. locking casters

Gear Guard™ Mobile STEM Workstation

Specifically designed for corralling parts, robots, and equipment, this mobile workstation will become your complete STEM hub. The 31 1/2" top height and 33 1/2" overall height make it easy to dock this unit alongside the Demco Gear Guard™ STEM Table (sold separately). The 40" W x 24" D top features a 2" H rim to provide a contained space for engaging in STEM activities. Top is also ideal for storing and transporting equipment like 3D printers. Two lower shelves have 2" H backstops to help contain stored items during transit. Shelves accept 12" H, molded polypropylene Jumbo Gratnells® Totes (sold separately) to keep supplies handy and easy to access. Locking 3" dia. casters provide stability and mobility to create a ready-to-go activity station wherever needed.

- 1 1/8" thick particleboard with a high-pressure laminate surface and PVC edge-banding
- 2" H rim around work surface
- 2 lower shelves with 12 1/4" clearance and 2" H backstops
- 3" dia. locking casters

Specify shelves color: Kensington Maple or Pewter Mesh. See left.

Specify sides/Gear Guard color: Island, Kensington Maple, or Matrix Blue. See left.

Deluxe Maker Collection with Challenge Guide

160+ pages of educator-designed challenges plus all the maker tools

Start making right out of the box with this curated collection of maker tools and supplies — complete with more than 20 hands-on, leveled challenges.

Originally developed for New York City school libraries by a team of practicing maker educators led by Stanford FabLearn Fellow Mark Schreiber, the Challenge Guide is organized into three sections: Low-Tech Making, Robotics, and Energy & Power. Each lesson includes detailed teacher and student guides that follow the Demco Maker Framework. As students work through three increasingly challenging levels, they progress from instructor-led exploration to inventing their own solutions, reflecting on what they've learned and building valuable 21st century skills along the way.

Designed to encourage student-driven learning as stations in the classroom or library, activities support up to 30 makers working in groups of 3–5. Add in a few consumables and commonplace items like cardboard and scissors, and students will have everything they need right at their fingertips. Items can be stored neatly in their original packaging or the included storage boxes.

What's in the guide?

- 23 leveled maker challenges with extension suggestions, adaptable for age and skill level
- Challenges are grouped into three sections: Low-Tech Making, Robotics, and Energy & Power
- Each challenge includes teacher and student guides and requires 30–120 minutes
- 160+ pages
- For grades 3–7
- Guide also sold separately

What's in the collection?

- 2 Ozobot® Bit Double Packs
- 2 Dash Robots
- 4 meeperBOTs V2.0 with Blue Wheels
- 2 Electronics Snap Circuits Project Kits
- 2 littleBits™ STEAM Student Sets
- K'NEX Building Sets
- 2 Strawbees® School Kits with one 15 qt. ClearView™ Storage Box
- 2 Makedo™ Tool Sets
- 4 Strictly Briks® 1,008-Piece Sets with four 6 qt. ClearView™ Storage Boxes
- 1 StickTogether™ Hot Air Balloon Mosaic Sticker Poster
- 5 Packs Color Craze STEM/STEAM Bookmarks (200/pkg.)
- 5 Packs Origami Activity Bookmarks (48/pkg.)
- 200 Crayola® Thin-Line Markers (20 each of 10 colors)

ROCK

The first form of rock music, rock 'n roll, originated in the United States in the late 1940s. Artists like Chuck Berry, Elvis Presley, Buddy Holly, and the Beach Boys helped define the genre. Rock music evolved into many different forms of rock music. Subgenres include hard rock, alternative rock, pop rock, and soft rock.

The Rock and Roll Hall of Fame was established in 1985 to recognize rock's most influential artists, producers, and others who have had an impact on the genre. The Rock and Roll Hall of Fame museum is located in Cleveland, Ohio.

Animal Fun Facts Set 1, 6 Designs, 2-Sided

Ostriches

Ostriches can sprint as fast as 43 miles per hour. Their long legs can cover 10 to 12 feet in a single stride.

Ostriches have the largest eyes of any land animal. Their eyes are almost 2 inches across—more than twice the size of an average adult human's eye.

Ostriches grow up to 6 feet high. Their wings span almost 6.5 feet.

Ostriches can be ridden and used for transport. Spoken of in a popular song in parts of Africa, and it has spread to the United States. The Great American Ostrich Races take place annually in Arizona.
