

## Video Planning

---

**What's the title of your video?** (This may be the last thing you come up with.)

**Setting:** Where does your story take place? (Be specific about the time of year and day, as well as the exact location and what it looks like.) Describe it here, or draw it on the back of this paper.

**Characters:** Who is the main character? Is there more than one character? Who are they and what motivates them?

**Plot:** What happens at the beginning of the story? How do the characters enter? What do they see and do?

**Climax:** What happens in the middle of the story? What is the turning point? What do the characters say along the way?

**Conclusion:** What happens at the end of the story? What is the result of the characters' actions?
