

AMPLITUDE™

37" Slim, Powerful 2.0 Channel Bluetooth® Soundbar

#09 (" +)

The HamiltonBuhl Amplitude™ 37" Soundbar provides the latest MAXXBASS sound technology resulting in a rich, deep and strong dynamic bass in a slim, attractive and compact design. Various audio source inputs makes this the ideal choice for home theater systems. This unit is easy to setup and comes with its own remote control.

There are three preset sound modes:

- Music mode: Provides deeper bass with more dynamic sound range.
- Movie mode: Provides a surround-sound effect.
- Night mode: Less bass and clear vocals - ideal for news, radio, sports programming, etc.

The Amplitude™ supports Bluetooth®, Digital Optical and AUX-In.
