

ColorScape® Flexible Soft Seating

Portable seating is covered in vibrant, easy-to-clean vinyl and comes in a variety of fun shapes and colors that help boost spontaneous learning in a flexible space.

Soft Seating

Modular

These lightweight soft seating options can be easily rearranged to create a welcoming lounge or workspace in classrooms, libraries, common areas, or media centers.

With 6 dynamic shapes and 20 vibrant colors, they coordinate perfectly with ColorScape Playpods, shelving, and displays, or can add an exciting splash of color to traditional spaces. Plus, the upgraded upholstery can be removed for an ultra deep clean.

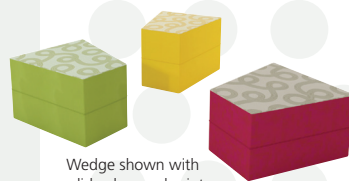

Encouraging spontaneous collaboration and floor learning, these seats create a low-profile option for tiered environments and a warm space for more active engagement.

FEATURES & BENEFITS

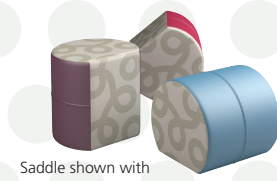

- High-density foam cushions create compact comfort for learners
- Wipe-clean vinyl upholstery with zipper closure makes for quick and easy clean up
- Soil-, stain-, and abrasion-resistant fabric with antimicrobial agent and fluid barrier keeps seating looking newer for longer
