WEIGHT CAPACITY: 500 lbs.

Assembly Notes:

During assembly, hand tighten screws only. When all screws are in place, you may then tighten all screws completely.

CAUTION:

1. Do not use this sofa as a step ladder.
2. Check for loose screws and tighten them every 6 months.

Assembly Instructions

Tools Needed: Allen Wrench and Wrench (provided).

Step 1: Attach the Casters (E) to the Sofa (A) by carefully laying the Sofa (A) onto its back and screwing the Casters (E) into the corresponding holes on the bottom of the Sofa frame and tighten using the provided Wrench (F).

Step 2: Return Sofa (A) to upright position.

Step 3: Attach Tablet Support Bar (C) to Tablet (B) by inserting 6x12mm Tablet Screws (D) through the holes and into the bottom of the Tablet (B) using Allen Wrench (G).

Step 4: Insert Tablet Support Bar (C) into the Sofa (A), being careful to line up notch on the bottom of the bar with inset gap in the sofa grommet hole. *Be careful to place the tablets on the appropriate sides of the Sofa (A). Both tablets should face inward toward to Sofa as shown..*

NOTE: The optional wooden Feet should be screwed into the rear of the Sofa frame to be most effective.

Wooden feet to match tablet.
