

SPECTRA VR™

Virtual Reality Goggles

S14GVRBK

Instantly transform your smartphone – iPhone™ or Android – into an exciting, interactive virtual reality world with these affordable yet high-quality virtual reality goggles.

Load your smartphone with any number of free VR apps, snap your phone in, put on the goggles, and you are transported – your viewpoint adjusts as you move your head or body in any direction, making for a fully immersive experience!

This is a fun, easy, economical way to go on narrated virtual field trips; explore settings of novels; marvel at global cityscapes; trek habitats of endangered species; delve into the inner workings of the human heart.

The possibilities are limitless!
